Sub: Acceptance Cum Invitation Letter - International Conference on Innovative Trends in Civil Engineering for Sustainable Development (ITCSD - 2019) at NIT Warangal

Greetings from NIT Warangal!

On behalf of Conference Organizing Committee of ITCSD-2019, we are pleased to inform you that, your extended abstract has been accepted to be included in the proceedings of ITCSD 2019, provided you revise the abstract as per the suggestions made by the reviewers. Please find enclosed the comments received from the reviewer. Please revise your abstract as per the suggestions given by the reviewers and submit the revised abstract along with your responses to the reviewer's comments (in a separate file) by 9th August, 2019. We extend an invitation for you to participate in the event to be held at NIT, Warangal during 13-15 September 2019. You are invited to present your technical paper orally at the conference, the details of which are provided below:

Submission Code: ITCSD-ES027

Title: Review on applications of Fiber Reinforced Concrete (FRC) in structures

Theme: Engineering Structures

Authors: Kapil Prabhat Verma, Gaurav Chand, Dr. Shobha Ram

Please note that the extended abstract submitted by you will be included in the proceedings of the conference only if at least one of the authors will register for the conference on or before 20.08.2019. Selected papers that are presented during the conference will be considered for publication as a book chapter in an edited volume that is proposed to be brought out after the conference.

Authors and their accompanying persons have to make their own arrangements for their stay during the conference. Details of the accommodation available and the contact details will be updated in the conference website very soon.

This invitation does not include a waiver of registration fees or any financial reimbursement for costs of attendance from the conference organizing committee.

Looking forward to your participation in ITCSD – 2019.

Thanking you,

International Conference on

Innovative Trends in Civil Engineering for Sustainable Development (ITCSD - 2019)

As a part of the Diamond Jubilee Celebrations of NIT Warangal

With best regards,

Organising Secretary, Department of Civil Engineering
National Institute of Technology Warangal - 506 004,
Telangana State, India.
