

**International Conference on  
New Frontiers in Chemical, Energy and  
Environmental Engineering (INCEEE - 2019)**

**15 - 16, February 2019**

**Organized by  
Department of Chemical Engineering  
National Institute of Technology Warangal, 506004, India**

**REGISTRATION FORM**

Name: Dr. Anoar Ali Khan

Designation: Assistant Professor

Qualification: PhD Gender: Male

Organization: Vignan's Foundation for Science, Technology and Research

Address for Correspondence: Vignan's Foundation for Science, Technology and Research

Chemical Engineering Department, Vadlamudi, Guntur,

Pin code: 522213, Andhra Pradesh, India

Mobile No.: 9734829521

Email: anoaralikhan@gmail.com

Category (Oral / Poster / Non-presenting): Oral

Title of Paper: A comparative assessment and effect of PZ activator towards CO<sub>2</sub> capture by aqueous AMP and MDEA from a self-modified coal-fired boiler: Rate of absorption, solvent regeneration, cyclic CO<sub>2</sub> loading capacity and reboiler heat duty requirement.

Paper ID No.: M044

Payment Details (DD / Online transfer): Online transfer through NEFT

Amount: 3000 (Three thousand) DD / Transaction ID No.: UT40151829 Date: 25.01.19

Bank: State Bank of India

Date: 25.01.19

Place: Vadlamudi

Signature of the Applicant

*Anoar Ali Khan*

Forwarded through the Head of the Department / Institution

*Ramesh*
