## About NIT Warangal

The National Institute of Technology Warangal, an institute of national importance (formerly known as the Regional Engineering College Warangal) established in the year 1959, is the first among the 31 NITs in the country setup as joint venture of the Government of India and the State Government. The institute offers 8 undergraduate programmes in engineering and 29 postgraduate programmes leading to M.Tech., M.Sc. (Tech.), MCA and MBA degrees. All the departments of the institute conduct research programmes leading to Ph.D. degrees. NIT Warangal is consistently ranked among the top 30 technical institutes in the country. It is located on the Hyderabad- Warangal national highway at a distance of 3km from Kazipet railway station and 12 km from Warangal railway station. It is spread over 250 acres and is totally residential campus.

## About the Department of Metallurgical and Materials Engineering

The Department of Metallurgical and Materials Engineering (MME) was established in the year 1965 and presently offers an undergraduate program in MME and two postgraduate programs with specialization in Industrial Metallurgy and Materials Technology. The department is consistently receiving accreditation by NBA since past several years for its excellent academic and research activities. The department has experienced faculty and well-established laboratories with state-of-the-art facilities in various areas of research. The department also offers PhD programme in MME and presently about 37 scholars are working in key research areas. The department is also in collaborative research with organizations such as DMRL, ARCI, IGCAR, BARC, BHEL etc. Presently the department is engaged with research projects received from DAE-BRNS, DRDO-NRB, ARDB, SERB, AUSC Mission Directorate, etc.

## About Warangal City

Warangal is about 135km from Hyderabad, the capital of Telangana. It is well connected by rail and road. It is well known as an educational centre. Once, the capital of the great Kakatiya Kingdom and earlier known as Orugallu or Ekasilanagaram, Warangal still retains its importance as the cultural centre of the Telangana. It finds an important place in the tourist map of Telangana with sites of archaeological significance like the Warangal fort, Thousand Pillars temple, Bhadrakali temple and Ramappa temple. The three lakes namely Ramappa, Pakhal and Laknavaram and the wild life sanctuaries at Tadwai and Pakhal are famous for sightseeing.

## FIRST CALL

**International Conference on  
Advances in Minerals, Metals, Materials, Manufacturing  
and Modelling-2019**

# ICAM<sup>5</sup>-2019

**25-27 September 2019**

On the occasion of Diamond Jubilee Celebrations of NIT Warangal

Sponsored by  
**TEQIP III**

Organized by

Metallurgical and Materials Engineering Department  
National Institute of Technology Warangal  
(An Institute of National Importance)  
Warangal-506 004, Telangana State, India

### About the conference

The International Conference on Advances in Minerals, Metals, Materials, Manufacturing and Modelling – 2019 (ICAM<sup>5</sup>-2019) is being organized by the department as a part of institute's diamond jubilee celebrations. The very purpose of the conference is to provide a platform for the academicians, scholars, researchers and industry personnel from all around the globe to discuss and disseminate the knowledge created in minerals processing, materials development, materials degradation and computational materials modelling. ICAM<sup>5</sup> is structured around several thematically focused sessions during which participants present their work and discuss the advances and challenges in these thematic areas. Several world-renowned experts from the thematic areas have already confirmed to share their years of knowledge and wisdom during the plenary and keynote lectures sessions with the participants during ICAM<sup>5</sup>. The organizing committee also encourages those who are not presenting their work, also to benefit from the discussions and networking opportunities offered by ICAM<sup>5</sup>.

### Thematic areas

ICAM<sup>5</sup> welcomes research papers on the following topics but not limited to:

Advances in mineral processing  
Advances in iron and steel making  
Special steels and alloys  
High-temperature materials  
Nanomaterials and nanostructured materials  
Corrosion and oxidation  
Creep, fatigue and creep-fatigue interaction  
Surface engineering  
Powder metallurgy  
Advances in manufacturing  
Advances in aerospace materials  
Thermomechanical processing  
Welding/Joining  
Advanced ceramics/Composites/Polymers  
Additive manufacturing  
Light alloys/Energy materials/Bio-materials  
Computational materials science/Process modelling

### Advisory committee

Dr. Vikas Kumar, Director, DMRL  
Dr. N. Eswara Prasad, Director, DMSRDE  
Dr. G. Padmanabhan, Director, ARCI  
Dr. Dinesh Srivatsava, C&CE, NFC  
Dr. A. K. Bhaduri, Director, IGCAR

Prof. Ramana G Reddy, UoA, USA  
Prof. Mohamad Kamal Harun, UiTM, Malaysia  
Dr. T. Venugopal, MD, Welding Alloys Sdn Bhd, Malaysia  
Dr. Prakash Srirangam, University of Warwick, UK  
Prof. K. Hono, NIMS, Japan  
Prof. G. V. S. Sastry, IIT-BHU  
Prof. K. Bhanu Sankara Rao, UoH  
Dr. Vivekanand Kain, BARC  
Prof. Raghu Prasad, IITM  
Prof. B. S. Murty, IITM  
Prof. Satyam Suwas, IISc.  
Prof. G. Phani Kumar, IITM

### Call for abstracts

Authors are invited to submit an abstract of original, unpublished work not exceeding 300 words. The abstract format can be downloaded from the conference website. The abstract must be submitted through conference website on or before **31.07.2019**.

### Proceedings

After peer review, acceptance of the abstract will be intimated to the participants. Upon the notification of acceptance, authors need to complete the registration along with the fee payment on or before **30.08.2019**. Selected full papers from registered participants will be published in the conference proceedings/SCOPUS/SCI indexed journals.

### Awards

A number of awards are awaiting! In each session, the best presenter will be honoured with cash prize and certificate. The best paper presentation award will be conferred on the selected author(s) of papers presented at the conference.

### Sponsorship

Various opportunities of sponsorship are available in ICAM<sup>5</sup>. The tariffs of each category of sponsorship and the benefits are displayed in website. The prospective sponsors are requested to contact the organizers.

### Metallography contest

Metallography contest is organized for students/scholars where black and white/color micrographs displaying interesting microstructures obtained using optical/electron microscopes. The selected micrographs will be awarded cash prize. However, participant should be a registered delegate of the conference. Further details can be obtained from the conference website.

### Accommodation and Travel

The expenses towards travel and accommodation shall be borne by the participants. Accommodation can be arranged on payment basis in the hotels. The details of the hotels and the tariff will be provided in the conference website.
