Abstract

This page provides guidelines for submitting an abstract in the conference. The text is itself an example of the layout and style required for the one page (**maximum 300 words**) abstract that will be published in the book of abstract of the conference when selected for presentation. Documents must be submitted in electronic format as a Microsoft Word file (*.doc). Carefully check contents and format of your article before submitting (it will appear in the published document in exactly the same form).

Calibri is the recommended typeface for all the text. The title should be in boldface letters and centred across the top of the page using 14-point type. The title will be followed by Author Name(s) centered and in 12-point type and Affiliation(s) center aligned in 10 point, italicised type. The name of the presenting author has to be underlined. Please mention the email address of the corresponding author below affiliations and leave a blank line after that. Type size for all text in the body of the abstract has to be 11 –points with 1.5 line spacing. Please do not put numbers, running footers or headers on the page. References, if required, should be collected at the bottom of the page. When referring to them in the text, type the corresponding reference number in square brackets as in this example [1].

Authors should submit an abstract of an original, unpublished work. If the abstract contains Tables/Graphs/Figures etc should be restricted to within the same page. Abstracts will be reviewed and the acceptance will be intimated through website/email after deadline. In case of any difficulty during the abstract submission, please contact on email inceee2019@gmail.com. Communications regarding the Conference will be sent to the corresponding author only.
